

Hugo López Valladares

Web Application Developer · IT Technician

Ibiza, Balearic Islands, Spain · (+34) 660 264 312 · hugolopezvalladares21@gmail.com

Date of birth: 23/08/2005 · Nationality: Spanish · Driving licence: AM, B

PROFESSIONAL SUMMARY

Web Application Development (DAW) student with hands-on experience as an IT Technician and an international software development internship completed through the Erasmus+ programme at Kocaeli University, Turkey. Combines solid IT support, networking and troubleshooting skills with a creative background in graphic design and multimedia. Native Spanish and Catalan speaker with professional English. Looking to grow within software development and IT support roles.

WORK EXPERIENCE

Software Development Intern (Erasmus+)

Mar 2026 – Jun 2026

Kocaeli University – Software Development Department · Kocaeli, Turkey

- Completed a 3-month international software development internship in the university's Software Development Department through the Erasmus+ mobility programme.
- Collaborated on software development tasks within a multicultural, English-speaking team.
- Applied web application development knowledge to real project requirements.
- Strengthened teamwork, adaptability and professional communication in an international environment.

IT Technician (Seasonal)

Apr–Aug 2024 & Jun–Aug 2025

Sirenis Hotels & Resorts · Ibiza, Spain

- Installed, configured and maintained hardware and software across the hotel group.
- Diagnosed, troubleshoot and repaired technical issues, providing on-site and remote user support.
- Managed network infrastructure including WiFi, cabling, servers and firewalls.
- Performed operating system and driver updates, data backups and recovery.
- Implemented IT security measures (antivirus, access control) and optimised system performance.
- Assembled computers and handled incident documentation and reporting.

Graphic Designer (Freelance)

2018 – Present

Self-employed · Ibiza, Spain

- Manage client contact and communication from briefing to final delivery.
- Create corporate identities, personal branding and creative designs.
- Produce layouts and illustrations using Adobe Photoshop, Illustrator and Premiere Pro.

Waiter

Sep–Oct 2023

Restaurante Bonito · Ibiza, Spain

- Prepared tables and welcomed customers.
- Delivered plated food service and handled billing and payments.

Sports Photographer (Freelance)

May–Jun 2023

Self-employed · Ibiza, Spain

- Set up cameras and planned lighting for sporting events.
- Captured high-speed motion and edited RAW photographs.
